

Slime Clicker

Informational Guide

Kiran Mitra

Game Start:

The game begins with the Info Menu open, which allows players to learn the controls.

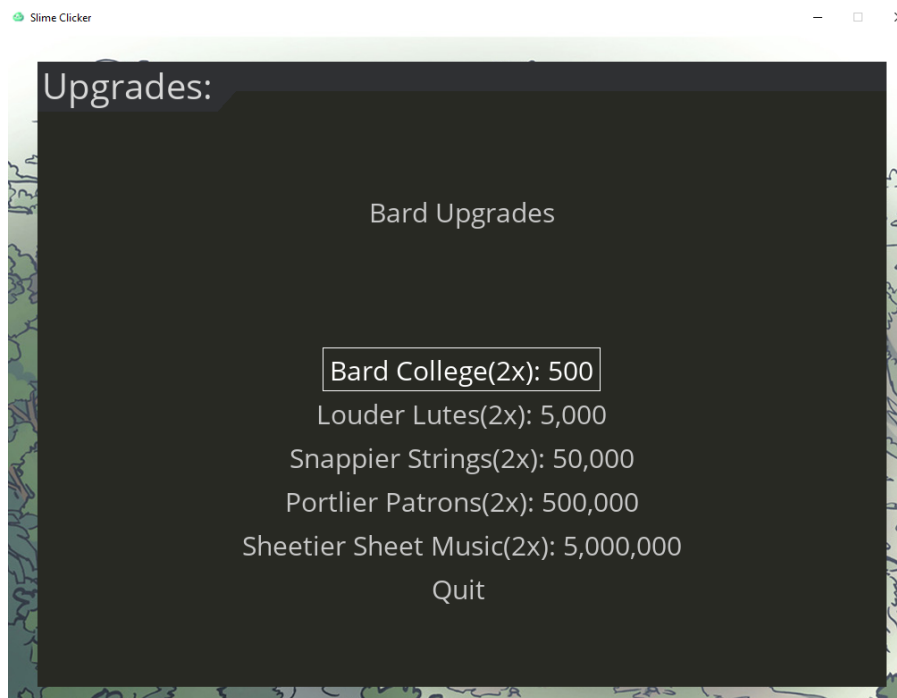

Buildings:

The player purchases adventurers that help them earn gold from questing.

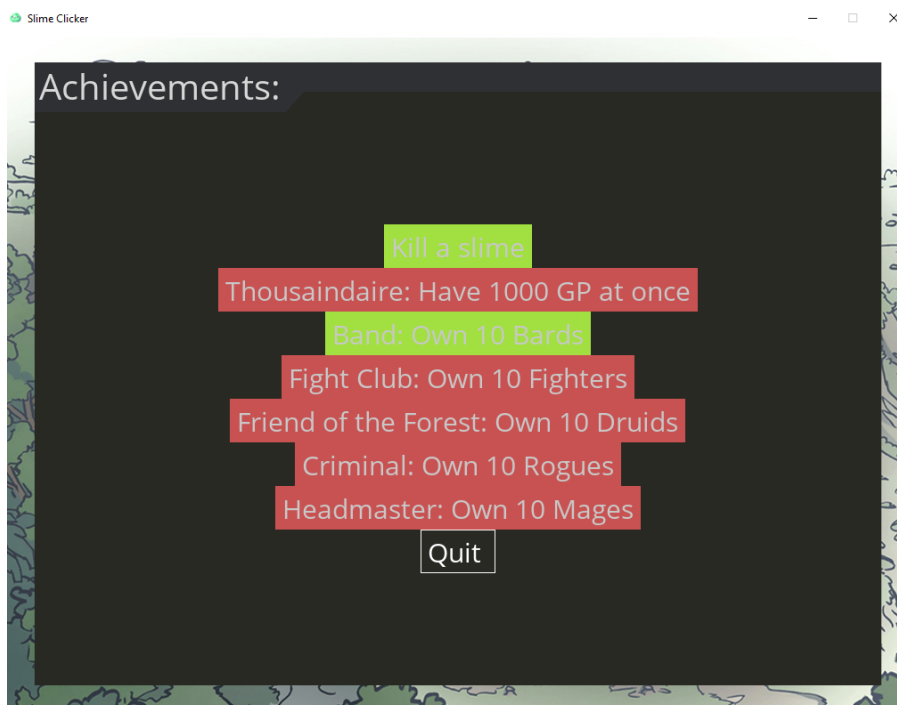

Upgrades:

The player can also purchase upgrades for their adventurers, which make them more effective at making gold.

Achievements:

While playing, the player can earn simple achievements which are shown in the achievement menu

Core Gameplay:

The player can always click the central slime to earn one gold per click, and can view their total gold and how much gold they make per second.

Golden Slimes!:

Finally, golden slimes rarely appear on the screen. Clicking them will reward the player with a decent chunk of gold, but they have to act fast, as gold slimes won't stick around forever!
